

OUR CAPABILITIES

eDiscovery & Information Governance

WINSTON
& STRAWN
LLP

We have built a full-service advisory practice that provides a full array of technological and legal services to our case teams and clients in e-discovery, managed review, and information governance.

SNAPSHOT

eDISCOVERY PROFESSIONALS

Our team of attorneys, project managers, and technology professionals is one of the largest and most experienced in the U.S.

800+ MATTERS SERVICED ANNUALLY

We have years of experience navigating difficult e-discovery issues in the context of complex litigation, investigations, and regulatory matters.

WINSTON eDISCOVERY BLUEPRINT

A proprietary *legal project management* approach that enables us to handle matters of any size using state of the art artificial intelligence.

EXTENSIVE COURTROOM EXPERIENCE

We act as national counsel for multiple companies across a wide variety of industries, including automotive, agricultural, construction, financial services, manufacturing, and transportation.
